

Hi All,

Well I have had lots of interest in Lanzarote with the majority wanting to go on the 21st -28th Jan2012

To secure your place I will need to have a £250 deposit either by sending a cheque to the address below or by BACS transfer also below. When I have enough numbers I will confirm the trip is going ahead and book our Villa. I will allocate the places on a first come first served basis with a maximum of 6 places available. If I get more than six, I will run another course between 14th-21st Jan 2012

This trip is suitable for students who are on their CP course or expect to be on by the start of this trip or who are already qualified and wanting some chilled out winter flying.

The flying in Lanzarote is thermo dynamic and the wind can get strong by the middle part of the days so good ground handling skills are a must. However you will be given plenty of opportunity to master these skills while you are there.

To give me time to organise this trip I will need deposits by 5th Nov 2011.
