

Hello Lee,

Just wanted to say thank you for the taster day my wife and I did last Monday. We both really enjoyed it. My wife was worried before the day but the gradual way the course progressed meant she wasn't too worried the first time she went up! Dave and yourself were great instructors giving us both confidence and good instructions, but also making the day fun too. I would have liked to get a few more flights during the day, but I guess however many times we went up I would always have wanted more, as it was such fun and there was so much to learn.

All the best, Gav and Kat
